REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The main reason for the allowance of claim 17 is that the prior art fails to disclose the support received by the guides, the support having a fore-and-aft dimension which is at least two to three times as large as the fore-and-aft dimension of the coupling carrier. The main reason for the allowance of claim 18 is that the prior art fails to disclose the vertically adjustable crossbar extending between the coupling carriers, and a trailer coupling attached to the crossbar.

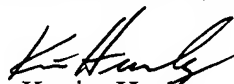

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
